

Customer and product registration

Dear machine holder,

we, the X-Floc GmbH, are always anxious to be able to offer you the optimal support to our products. By registering in our customer system you gain access to our customer area with operating instructions and further information about our products. For support questions or problem cases, you also enable us to assign them more quickly. Therefore we need the following information:

* Mandatory fields must be filled in

Company*: _____ Company name*: _____
Email*: _____ Website: _____
Contact person*: _____ Contact person email: _____
Phone*: _____ Street*: _____
Postcode/Town*: _____ Country*: _____

Previous owner:

Company*: _____ Postcode/Town*: _____

Machine type*: _____ Operating hours*: _____

Serial number*: _____

(The serial number can be found at the plate onto the control box)

By signing the form you confirm the correctness of the data as well as the agreement with our data protection declaration. Your data will only be used by us for service purposes and will not be passed on to third parties. In addition, you have the right to revoke your consent at any time by means of a written notification. In this case your data will also be deleted.

I don't want to subscribe to the X-Floc newsletter.
